

Döner Ratings

#1 Harput, Wiesbaden

Overall: 7.5/10

Service: 10/10 Nice people, was very busy but got to order quickly, could pick table and the Döner came quick. Also gave me a complimentary pastry.

Price: 10/10 Only 8€ i was pleasantly surprised.

Meat: 7/10 Nothing bad, good quality and quantity, just was a bit monotone in flavour.

Bread: 8.5/10 Good, but particularly memorable.

Salad: 8.5/10 Good and fresh, ordered without iceberg but they mixed the iceberg with the red cabbage so i was missing that.

Sauce: 6.5/10 Ordered Garlic sauce, it was yellow = mustard. Didn't taste bad but not my type of Garlic Sauce.

Feel after: 8.5/10 Was not heavy, doesn't make you feel sluggish. Satisfied.

Portion: 8/10 Value for money. Not too small. Filling enough.

#2 Kebabchi, Rüsselsheim

Sauce: 8/10 Good but mayo content could be lower

Feeling after: 9.5/10 Hit the spot, this was proper. After i ate i said "its like what i ate yesterday wasn't a döner, this is". No sluggishness. But it could be more filling.

Value for money: 9.1/10 It's not cheap but its good. And its not too expensive either.
